

| MASTERY | TARGET | NEEDS DEVELOPMENT |
|---------|--|-------------------|
| | Presents an <i>argument</i> (that is, doesn't just provide an answer, but explains answer) | |
| | Uses <i>evidence</i> (that is, presents proof that you thought through the data to come to your conclusion) | |
| | Comes to a <i>reasoned conclusion</i> (provides analysis of the data) | |
| | Provides a clearly stated <i>answer</i> (which is to say, answers the questions and is understandable to audience) | |
| | Discusses <i>documents</i> and explains why some are more valuable than others (that is, discusses the source of your information) | |
